Leading Set, Personal Injury
Chambers UK, 2015

Devereux is “a set that attracts and secures the best”

Chambers UK 2014, Personal Injury

This informal session is organised by our junior Personal Injury barristers to share useful tips on topics we all deal with in everyday litigation, especially practitioners still developing their practice.

- **The art of JSM: is that your final answer?** Rob Hunter will paint a practical picture on how to get the most from the Joint Settlement Meeting.
- **Fixed costs: the time has come.** David Peter will tell us where we are and where we're going on costs. With the aid of a Fixed Costs Flow Chart, he will predict every possible outcome under the Part 45 regime, or your money back (please note this seminar is provided free of charge).
- **Interactive Fundamental Dishonesty.** Matt Sellwood versus Marianne Tutin. This session will be interactive, fundamental and... honest.
- **Part 36 on a need to know basis.** Jonny Butters will tell us what's new in the ever-changing world of Part 36.

The seminar is offered at no cost but spaces are limited.
